# Reclosable Polybags

**Want to stay organized?**

Reclosable polybags are the perfect solution to store spare parts, hardware, cables, and so much more.

- ➔ Single-track zipper closure allows for easy sealing, opening and resealing
- ➔ The bags top lip is offset making it simple to separate the two sides and easily open
- ➔ Keeps out dirt and moisture. Items remain clean and ready to use
- ➔ 100% virgin Low-Density Polyethylene (LDPE)
- ➔ CFIA approved for use in Food Service Industry- food storage compliant
- ➔ Hang hole punched for display or organizing
- ➔ 2-mil or 4-mil thickness for heavier duty applications
- ➔ Wide range of sizes
- ➔ The resealable zipper opens all the way to the edges of the bag to maximize the use of the bag capacity
- ➔ High clarity
